LB 726A, 921, 1173, 1178, 1221
LR 248

Nebraska and Mrs. George Watters from Lincoln. Would you folks please stand. Good to see you, Marge. Senator Vard Johnson has 24 fourth graders from Omaha with their teacher, and they are from Benson West in the south balcony. Would folks please stand. Senator Bernard-Stevens has a guest, Chanelle Matthews who now lives in Lincoln, and a former member of one of his classes. She is under the north balcony. Would you please stand, Chanelle. Mr. Clerk, do you have anything to read in at this time?

CLERK: Yes, Mr. President, thank you. Your Committee on Enrollment and Review reports LR 248CA to Select File with E & R amendments attached. That is signed by Senator Moore. (See page 1092 of the Legislative Journal.)

Mr. President, Appropriations Committee will meet in Executive Session at noon today in Room 1003.

Judiciary Committee reports LB 921 to General File, LB 1173 to General File, LB 1221 General File, LB 1178 General File with amendments. Those are signed by Senator Chizek as Chair of the committee. (See pages 1093-95 of the Legislative Journal.) That is all that I have, Mr. President.

PRESIDENT: We will move on to LB 726A, please.

CLERK: Mr. President, 726A is a bill on General File. (Read title.) I have a motion from the Speaker to indefinitely postpone 726A, Mr. President.

PRESIDENT: Senator Barrett, please.

SPEAKER BARRETT: Mr. President and members, the four A bills that you will see on your agenda under General File, #7, are bills which I am moving that the body kill at this point. We don't need these A bills any longer. The mainline bills have been killed, indefinitely postponed, and these are sticking out there unattached, and by disposing of them, I think it will help clean up our cluttered agenda. I have, incidentally, checked with the introducers of the main bills, specifically Senators Johnson and Chambers, and there is apparently no objection. So I would like to move, in fact if possible, Mr. President, include all four. Better yet, we had better take them one at a time. I am sorry. I would move that 726A be indefinitely postponed.
